## To whom it may concern:

The Professional Development programme 'Coaching and Coaching Psychology from NECP, has been accepted by Professional Development Foundation as part of their validated scheme with Middlesex University leading to a Masters of Arts in Professional Development (Coaching) and a Master of Science in Professional Development (Coaching Psychology).

We confirm that candidates who pass the relevant modules submitted to the Middlesex University Assessment Panel will receive the Masters' Degree from Middlesex University. Graduates will be eligible to receive their awards at the University Graduation Ceremony held once a year.
